

# LDR 120: Maximizing Team Effectiveness

Managers consistently report that interpersonal abilities or soft skills are essential when managing projects and people. Traditionally, more emphasis is placed on the core knowledge and skills needed to fulfill a specific role or job responsibility, but it's often more difficult to master the people skills. This course focuses on managing others in one-on-one settings, managing a team, and managing stakeholders. Students will learn to use practical and flexible tools and techniques that will improve people skills and increase effectiveness as a team leader and a team member.
