VUnited Scholars

This program is an Augustinian, Catholic, valued-centered, residential environment provides students a meaningful and unique college experience. The program allows students to explore and realize both their learning potential and maximize their personal growth, while preparing students for future, meaningful employment. The program merges the following four elements: academic knowledge, social and psychological development, independent living skills, and career and vocational skills.

Offered in partnership with Villanova Office of Disability Services.

Discipline: VUnited Scholars **Type:** Professional Certificate
