

PMP 120: Mastering Project Management

For the more experienced student, this course builds upon the fundamentals explored in Essentials of Project Management. It focuses on strengthening skills previously developed and expanding skills to explore more advanced topics like leadership, project performance management and the core competencies of project management. Interpersonal abilities and soft skills are emphasized throughout to ensure project-management success.

Course to be sunset by May 30, 2025. The sunset of a course or program does not have any impact on the validity of the earned credential. Students who are not able to complete a program prior to the sunset date will be able to do so with approved replacement courses in accordance with other academic policies.
