

PMP 140: PMP® Exam Preparation

This course is designed for experienced project managers to enhance their knowledge of and skills in the field. Students will gain insight into the structure, grading system, and study strategies required for the Project Management Professional (PMP)® Certification Exam. Through this course, students will explore content included in the latest edition of the Project Management Body of Knowledge (PMBOK® Guide).

Course to be sunset by May 30, 2025. The sunset of a course or program does not have any impact on the validity of the earned credential. Students who are not able to complete a program prior to the sunset date will be able to do so with approved replacement courses in accordance with other academic policies.
