

# Addiction Studies (To be sunset June 1, 2024)

This program prepares students with the appropriate knowledge and skills to become addiction counselors. Students will learn how to work one-on-one with clients in therapeutic settings, determine the causes and triggers of addiction, interview and assess a client's addiction and mental health issues, and work with the client to determine the best course of treatment. All Villanova counseling courses are approved education hours by the [Pennsylvania Certification Board \(PCB\)](#). Students can apply course hours needed to various PCB certifications. *(This program is no longer enrolling new students and will be sunset June 1, 2024)*
