Professional Certificate in Organizational Leadership

This program provides management and organizational skills. It promotes personal confidence, professional integrity and team-building techniques used by the country's top business leaders to propel their organizations forward. Participants will learn strategies commonly used daily by leaders including strategic planning, philosophy and ethics, employee communication and individual development. *This program to be sunset May 31, 2025. The sunset of a course or program does not have any impact on the validity of the earned credential. Students who are not able to complete a program prior to the sunset date will be able to do so with approved replacement courses in accordance with other academic policies.*
